

Dear \_\_\_\_\_,

I am asking God to provide the means for me to send \_\_\_\_\_ to school at Champions Christian Academy.

I feel like \_\_\_\_\_ would benefit from Christian School because:

I wanted to ask you to prayerfully consider helping with the \$\_\_\_\_\_ for \_\_\_\_\_ to go to school there.

Champions Christian Academy has a website: [www.championsacademy.info](http://www.championsacademy.info) and a Facebook page : <https://www.facebook.com/champions.christianacademy> if you want to learn more about them.

They use the A.C.E. (Accelerated Christian Education) curriculum, which is being used all over the world in 140 countries and 6000 schools. The curriculum prepares the students for college and teaches all the required courses that our state requires. Its philosophy is built on basic principles of the Word of God. Students are taught to see life from God's point of view, to take responsibility for their own learning, and to walk in Godly wisdom and character.

I'm not asking you to pay all of the cost, just asking if you would pray about helping. If you can commit to a set amount each month it will be helpful.

Thank you very much.
