#### **Course Description/Overview**

---

Missionary life can put much strain and stress upon a marriage. Why a course on mission life and marriage? The reason is that married couples living in cultures other than their passport country face some issues that make marriage more difficult than it is for people remaining at "home." What about a spouse who doesn't want to go? Who is called? What about marrying a "national?" Relationship time between spouses. Should I stay single? Sexual stress? And much more.
