

## **Experiential Learning Credits**

## I. GENERAL INFORMATION

One semester credit hour is granted for 33 actual study and/or work hours. Research shows sermons and Bible lessons average 10 hours of study, prayer, and development time. For example, submitting proof of ten original sermons would verify granting of 3 semester credit hours. A maximum of 15 credit hours can be granted between Experiential Learning Credits and Credit by Examination and can be applied to any degree program.
