

Work Project Credits

I. GENERAL INFORMATION

One semester credit hour is granted for 33 actual work hours. Research shows sermons and Bible lessons average 10 hours of study, prayer, and development time. For example, submitting proof of ten original sermons would verify granting of 3 semester credit hours. A maximum of 15 credit hours can be granted for Work Projects and can be applied to any degree program.

Student Name : _____ Date: _____

Work Project Name : _____

Work Project Description : _____

Number of Hours worked during Work Project: _____
